FLYING AUTO TESTS SPEED OF **60 BIKE COPS**

Inspector Tries New Plan to Weed Out the Slow-Going Pedallers.

Inspector Sweeny, Sergt, Cullen of his staff, and Roundsman Malion, of Inspector Binghom's staff, left Inspecto Sweeny's office in One Hundred and Twenty-fifth street this afternoon at o'clock for the Kingsbridge road, where a test unique in the annals of the New York Police Department was inaugur-

The officers were in a high power au-formobile, and on the kingsbridge road met sixty, bicycle policemen who had been ordered to report there and undergo a test prepared for them by their

Among the sixty were some of the older bicycle policemen, while others were merely police applicants for place on the bleycle squad, which is generally considered preferable to pounding the

The automobile, driven by the inspector, was operated at a speed of twenty filles an hour. The sixty bieyole policemen were lined up along, the curb, and as picked out for a test of tehir speed jumped on their bloycles as the automobile whizzed past and went after it as rapidly as they could propel themselves along. They were pht permitted to mount their machines until the automobile was past, and were

a bicycle cop.

It is an ierstood that further tests
are in store for the bicycle polloemen,
and that they will be made to demonstrate to their superiors their efficiency. strate to their superiors their efficiency in positions that are becoming of more and more importance in New York as the number of automobiles and "speed granlacs" increases, inspector Bingham, it is said, expects to increase the bicycle guad by the addition of a number of expert riders, and at the same time he will weed out some of those schools have accorded.

Woman tries to OUST YACHT CLUB

Responsible for Them Any Longer.

Moses Herrman, Park Commissioner, heard the protests to day against the the Colonial Yacht Club to use the landing at North River and One Hundred and Eighth street, as petitioned for by George J. Bestner as Commodore of the club. The landing is now occuried and has been fortwenty-two years by Mrs. Margaret McDonald. She was

represented by John P. Everett. Request for permission to construct a new landing in the vicinity had been accord with his decision to refuse to grant such requests. Mr. Canavan admitted that Mrs. McDonald dominated like other citizens should have the right of approach allowed them.

Through her'counset, airs. McDonaid said she had been responsible to the Park Commissioner during all the years of her occupancy for the good behavior of the people who used the landing, and that is had practically been the organizer of the crib and controlled it like declared she could not be responsible for its affairs any longer.

Mr. Everett insignated that there was a facton lately coming to prominence in the management of the club which disapproved of Mrs. McDonaid's methods, and that they were anxious to get rid of her.

HE SAID NAUGHTY

And It'll Cost Him \$20,000 if He Doesn't Hurry Up and Explain.

onstitutes a basis for a damage suit by lady against a gentleman who has alked about her is not that of Justice O'Gorman, of the Supreme Court, and nless he files an answer to the complaint of Miss Violet Reed before Feb. 10 she may enter a judgment against him in her \$20,000 suit and mulet him in such sum for damages, as may be asressed by a tury.

A complaint was served on him in Miss Reed's behalf, charging him with defamatory remarks about her in Chicago last May which were false and injured her reputation 10,000 worth. Then, she says, he said other things about her in this city, which injured her \$10,000 more.

Miss Reid alleges that Mr. Vernon told people in Chicago that he had seen her "pick up men in the street," and that when he came to New York he said of her, "Violet tried to blackmall an old man," and "Violet had her picture taken nide." All of which she says is false and mailclous.

'Mr. Vernon got a lawyer and the lawyer demucred to this complaint as not stating facts sufficient to constitute
